MIHL – Medicaid Issuance History List

This screen is used to identify if Medicaid has been issued for a specific client for a specific month/year. Medicaid is issued by CHIMES (Combined Healthcare Information and Montana Eligibility System) and issuance information is received through an interface.

Field Descriptions (F12) indicates code lookup is available.

CAPS ID (F12)
Enter the CAPS ID of the client you want to view Medicaid issuance history for.

NAME
This field will display the name of the client whose CAPS ID is entered in the CAPS ID field.

CHIMES ID
This field will display the CHIMES ID of the client whose CAPS ID is entered in the CAPS ID field.

YEAR
This field will display the year the client received any Medicaid issuance.

MONTH
This field will display "Y" if the client received Medicaid during that month. This field will be blank if the client did <u>not</u> receive Medicaid during that month.

Additional Information

This screen will display up to ten (10) years of issuance history and Medicaid issuance will continue to interface until the client's 21st birthday.
